WORK EXPERIENCE

LEVEL DESIGN

Aug 2023 - April 2024

Climax Studios

I'm currently working as a Junior level designer at Climax Studios on an unannounced AAA-project. My responsibilities include designing puzzles, designing gameplay areas, prototyping gameplay objects and documentation. I've also worked with some encounter design for a major boss encounter.

CUSTOMER SERVICE

Oct 2020 - Mar 2021

Elgiganten customer care centre

As a customer service representative for Elgiganten, I would provide assistance to customers via phone, email, and chat. I would handle a range of issues related to Elgigantens products and work to ensure each customer's needs were met.

EDUCATION HISTORY

Higher Vocational Education

Aug 2021 - April 2024

The Game Assembly

I'm currently finishing up my internship at Climax studios on a AAA-project. It's a part of my game development studies at The Game Assembly in Malmö, with a level design specialization. My coursework includes individual and group projects that center on level design.

Upper Secondary school

Aug 2016 - June 2019

Nya Malmö Latinskola

Studied graphic design. Learning how to use editing software at a basic level and how to take instructions from a "client" and providing a design based on their order.

Further education college

Aug 2015 - June 2016

Manchester College

I participated in an exchange program and had the opportunity to select multiple subjects for my studies. I chose to focus on English, English literature, Psychology, and Creative Writing during my time in the program.

OTHER EXPERIENCES

- Volunteer at Nordic Games Conference
- Sales 1 and Sales 2/Conviction course
- Leadership course with focus on leading and instructing children
- Qualified swimming instructor
